

GREAT FUTURES Gala

November 2, 2019 | Laguna Cliffs Marriott Resort & Spa, Dana Point

Greetings!

Wow! We are so grateful for your support of the Boys & Girls Club of the South Coast Area through the Great Futures Gala. On November 2, nearly 300 guests came together at the Laguna Cliffs Marriott with a common goal - to help kids in our community Build Great Futures! You are receiving this email because YOU helped make the event a huge success. From our sponsors, including Kawasaki, Sonance, and Bemus Landscape, committee, and volunteers, to in-kind supporters like Fuse Interactive and the Jazz Baker Band, and every donor in our live and silent auction, to each guest in attendance, the event wouldn't have been the same without you.

Through your generosity, we raised \$200,000 net to help kids in our community reach their full potential. Your contributions will support programs like Torch Club and College Bound. Your generosity will help to change the trajectory of kids' lives, like Bianca's.

We've had many requests for a [link to Bianca's story](#) to share with friends. We're also excited to share with you the [photos from the event](#)

If you have any feedback on the event, questions, or would like to schedule time to come visit the Club, reply to this email or contact Elizabeth Beas at elizabeth@bgcsca.org or 949-484-0122.

Thank you again for being an important part of our most successful Great Futures Gala in recent history! Your generosity will truly change lives.

With gratitude,

Terry Hughes
Chief Executive Officer

Carla Dotoli-Jenkins
Great Futures Gala Chair
